The one day Conference for the newly named Co-operative Business Resilience Association is to be held in the Lancaster Suite, New Century House, Manchester on Wednesday 16<sup>th</sup> November 2011. The Conference will be attended by Managers and Professionals from the Co-operative Movement and by Directors of the Societies. Invitations will also be extended to small and medium enterprises around the Manchester area, thus giving you the opportunity to provide further information about your services to a wider audience.

For the 2011 Conference the Co-operative Business Resilience Association is offering Organisations the facility to publicise their products and services by way of exhibition space at the Conference, or by sponsoring the elements of the seminar programme. The details of these facilities are as follows:-

**Conference Exhibition**

This year's Conference will take part in the exhibition area, giving a great opportunity for suppliers and delegates to network during extended coffee breaks and lunch. The exhibition spaces will therefore be allocated around the education room to maximise the time that delegates have with you.

Exhibition costs are the same as the 2009 prices and are £250 + vat per 2 metre space. Exhibition should ideally be more than 1 metre in depth.

Exhibitors will have to be completely set up no later than 9:00 am, should you require access to the room earlier than 8:00 am then please advise Nicola Schofield when you return the booking form.

**Sponsorship**

The Co-operative Loss Prevention Services Association is seeking support for sponsorship of the seminar for those interested in supporting the event please complete the appropriate section on the attached booking form and return this to us as soon as possible. Enclosed with this letter is a list of items to be sponsored and estimated costs.

**Educational Sessions**

You are more than welcome and encouraged to take part and attend the educational sessions. This will not just be aimed at the Co-operative Societies it will be of great use and interest to all companies.

The Executive Committee of the Co-operative Business Resilience Association look forward to receiving your support for the event. Further details regarding the seminar can be obtained by contacting Nicola or Bob Lister at the NACO office.

I look forward to seeing you at our Conference and thank you for your continued support.

Yours Sincerely
